

# S.S.S. CURES CANCEROUS ULCERS

Whenever a sore or ulcer is slow in healing, and shows signs of eating into the surrounding flesh, it is safe to say that the blood is infected with cancerous germs. Some old taint or poison that has lain dormant awaiting a favorable opportunity to assert itself has found an outlet on the face, arms, legs or other part of the body, and the place has become inflamed and festered, and a chronic ulcer is the result. When middle age is reached or passed, and the vital powers are naturally weaker, a hurt of any kind heals slowly, and often an insignificant scratch or bruise on warty growths, moles, pimples, etc., will begin to inflame and are soon large, eating ulcers. The cancerous germs are rooted in the blood, and while salves, plasters, lotions, etc., keep the surface clean, they are useless in affecting a cure. S.S.S. cures cancerous ulcers by going down into the blood and removing the germs and poisons which produce the trouble. It cleanses the circulation of all unhealthy matter, and when the cause is removed the sore heals permanently. S.S.S. enriches and strengthens the entire blood supply, and being purely vegetable, it is a pleasant, safe remedy for young or old, and ulcers of every kind yield promptly to its curative properties. ### ELEVEN ANARCHISTS ARRESTED.

Emma Goldman and Associates Placed in Custody.

New York, Nov. 1.—Emma Goldman and five other women and five men all of whom are alleged to be anarchists, and who were arrested last night for an alleged violation of the section of the penal code which prohibits "unlawful assemblies for the purpose of overthrowing the government," were arraigned in the police court today and held in \$1,000 bail each for further examination.

Policeman Schwartz, who made stenographic reports of some of the speeches at the meeting, said Julius Edelson, who spoke in Yiddish, said that the people present had authorized to talk of Coligny, the assassin of President McKinley. "He said they were there to discuss whether Coligny's act was justified," said the policeman, "and he said they had nothing to retract."

Morris Berkowitz, who was arraigned on a charge of attempting to incite a riot at the time the arrests were made, was sent to the workhouse for six months. Detective Sergeant, who appeared against Berkowitz, charged that the prisoner had shouted, "Down with the police." Berkowitz protested his innocence and declared that he was not an anarchist.
